

Kasson-Mantorville Girls Softball Association
2010 Banner Program

The Kasson-Mantorville Girls Softball Association (KMGSA) is offering advertising space on the Elementary School softball field fence. In addition, businesses entering the banner program, will also receive advertising space on the KMGSA website at no additional cost. If you are interested, please fill out and return the attached form and fees, or contact K-M head softball coach Jake Tietje 507-272-9526 or KMGSA President, Brant Klepel 507-251-3726.

Businesses that advertise on the outfield fence will benefit by the visibility of a large 4' x 10' banner made from heavy vinyl material for the spring and summer softball seasons. Every effort is being made to give all K-M community businesses an equal opportunity to participate in this program. Since space on the field's fence is limited, participants will be on a first come first serve basis.

The KMGSA will hang the banner, maintain the banner assembly to the fence, remove the banner at the end of the season, and store the banner from Labor Day weekend until the first softball game the following season. Your business may choose to keep the banner to use during the year for events and then we would re-hang the banner in the spring.
